

## QUALITY POLICY STATEMENT

Team Europa is committed to achieve Global standards of Excellence and maximizing customer, employee and stake holder's satisfaction through demonstration of Innovation, Quality leadership, Environmental care, Complying all applicable requirements and adapting to latest technology with continual improvement.

This will be achieved through methodical deployment of a well defined QMS in the Development, Manufacturing and Marketing of customized anti-theft security & locking solutions and services for houses and institutions.

We will also focus on transparency, delegation, skill development and team building.

Effectiveness of QMS will be periodically reviewed through audits, data analysis, management reviews and rewards and recognition.
